

Housing Development- King Street Newcastle

Project Cost	£200,000
Project Scope	Design Services
Location	King Street, Newcastle
Architect	Francis McShane Architect

Key Features

Testimonial

Throughout this project I found Francis McShane to be knowledgeable and professional at all times. This was an unusual project which presented several difficulties as the development progressed however Francis was always available to provide assistance in whatever way he could through alternative products to innovative solutions to whatever situation had arisen. From planning to completion Francis was dedicated, competent and proficient and I have no hesitation recommending him to anyone.

Kind Regards

Gerard Clarke
